

OFFICIAL INVITATION TO JOIN THE
RICHMOND FRIENDS OF THE HOMELESS
GROWER TEAM

***GROW THE STACHE.
RAISE MONEY FOR KIDS.
FEEL AWESOME.***

FORCES FOR GOOD

M4K Richmond improves the quality of life for local children through individual fundraising, partnering with local charities and businesses, and having a little bit of fun with facial hair.

Richmond Friends of the Homeless was formed in 1986 to strengthen and enrich the community life of the disadvantaged and homeless in Richmond.

OUR IMPACT

Richmond Friends of the Homeless is thrilled to be partnering with **M4K-Richmond (Mustaches for Kids)** again this year. This amazing volunteer-led organization raised \$360,000 for several children's charity across Central Virginia in 2019 by growing mustaches!

Through our partnership Richmond Friends of the Homeless received a very generous donation of \$50,000 last year. In the wake for Covid response, these funds have been critical in continuing our mission of providing nourishing daily meals and services such as assistance to keep five families representing 19 children from becoming homeless, providing 300+ food baskets, providing shoes for 62 children and so much more!

This year more than ever, we need your support! The impact of Covid has strained many families and will continue to do so in the coming months. These funds are essential in helping meet the needs of the disadvantaged and homeless.
